

STAY HOME STAY HEALTHY

Are you considered high risk for COVID-19?

If so, you may be eligible to take part in a grant with the Marion County Public Health Department.

This grant is providing high-risk individuals with green cleaning supplies. The purpose of this is to provide individuals with safe and effective cleaning supplies to help keep their homes healthy and safe while they may be spending more time indoors to prevent the spread of COVID-19.

For questions, please contact Kristen Milbrath at 317-221-5901.
